Mr. Ernest R. Cooper,
312 East Fifth Street,
Brooklyn, N. Y.

Dear Mr. Cooper:

This confirms your reception of WSB as indicated on your card of Feb. 27, and we are glad to know you were able to tune us in, in spite of interference from XER. We hope this trouble will be cleared up in the very near future.

Thanking you for your interest, we are,

Yours very truly,

THE ATLANTA JOURNAL
