Mr. Ernest Cooper:

This is in answer to your very nice letter I received as a result of the DXing show I did for the NRC, on the morning of Jan. 20th, from 4:30 till 5:00 AM, and a verification of the fact that the program was conducted as you had it logged.

Thanks very much for the nice letter, glad too that you enjoyed the show, if you would like too then listen to WSM in Nashville, Tenn., Friday night Feb. 7th, for the Mr. Dee Jay USA, show, from 9:15 till 10:00 CST, as that is my date to appear there so look for us then.

WSIZ signed on the air for the first time Sept. 21, 1957 at 12 noon sharp, the call letters were assigned and thats all, we have no coverage maps, and the population of Douglas, is in the neighborhood of 10,000 people, nice town in very nice location for farming and industry, we have lots of farming but very little to none on industry., Thanks for the opportunity to do the show.

Very Truly Yours,

Stacy Kelly, C/W DJ, WSIZ, Douglas, Ga.
