

Dear Ernie:

Your reception of WXLI on Jan 29, 1958 is "verified" by this card and glad to hear we put such a signal into Brooklyn. No coverage maps are available but WXLI has not begun its regular broadcasting as yet. We do not know when our frequency checks will be scheduled as yet. We will sign on at 6:00AM EST and we are not affiliated with any other station or Network. Call letters have no special significance. For your letter, Thanks,

*Jim Holland*
