

KICD

IOWA GREAT LAKES BROADCASTING CO.

1240 KC.

SPENCER, IOWA

November 28, 1942

Mr. Ernest R. Cooper
438 East 21 Street
Brooklyn, New York

Dear Mr. Cooper:

Thank you for your report of reception of KICD on the morning of November 15, 1942.

Your data checks with that contained in our transmitter log. This is just a new station and our first equipment test transmission was on November 10 and we greatly appreciate reports of reception from listeners near and far.

I think that we will be interested in receiving DX reports in the future and if your organization would like to contact us in regard to a DX program, we will do our best to make arrangements for you.

Thank you again for your report and interest.

Yours respectfully,

Hewitt D. Grotewohl
Chief Engineer, KICD
