Richard J. Kelley
(Chief Engineer)

Remarks:

Mason City has a population of about 28,000 .
Clear Lake Iowa a resort town about ten miles west of M.C.
(Population approx. 4000)) is where our other studio's
are located.

KRIB first went on the air in March of 1948 as
Radio Station KICM . Aproximately two years later the
Call Letters were changed to the KRIB of Today.

Frequency Checks are scheduled every Second and
Fourth Wednesday mornings from 2:30AM To 3:00 Am CST .
They are made with Phelps Lab. in Minneapolis.

Enclosed you will find a coverage map and some
other data on the back.
