Mr. Ernest R. Cooper

Brooklyn, New York

Dear Mr. Cooper:

Thank you for your letter of Oct. 30th. This will serve to verify your correct report of reception of our DX program on Oct. 27th. We're sorry you had so much interference -- perhaps our next program will have a little more clear sailing back there.

With regard to your request for a list of reports on this program, I'm sorry to have to disappoint you. We have a staff of seven, including myself, salesman, continuity and traffic girls, engineer and three combination operator-announcers -- so you see there just isn't time and manpower enough to tabulate lists for anyone.

Thanks again for your report, and we wish you good DX.

Sincerely yours,

Radio Station KRPL
