Mr. E. R. Cooper
National Radio Club
438 East 21 St.
Brooklyn, New York

Dear Mr. Cooper:

Thank you very much for your kind letter of December 30th, reporting reception of this station. This will serve as verification of your data.

Concerning your interesting suggestion: we receive so many requests for dedications that we have been forced to make a policy of not following such a procedure. I am very sorry.

I hope this will not discourage you still listening regularly to our frequency checks.

Again thanks for your letter.

Yours very truly,

Gilbert D. Williams
