Mr. Ernest R. Ceoper

Dear Sir:

This is to verify your report of Feb. 6th. The report was entirely correct. Anderson was named after an Indian Chief. WCBC went on the air March 17, 1947. We do not have an early-morning frequency check schedule. We cover an area of about 5000 sq. miles. We sign on at 6:29 AM- CST.

The strike was by city power & light employees over the discharge of 2 people. It was settled without any untoward incidents.

Yours sincerely,
Robert F. Crandall
