Dear Mr. Cooper:

WGRC desires to thank you for the information and interest contained in your letter of October 19, 1936.

As you probably know, we are operating with 250 watts. We state with much pleasure that we have received letters from thirty-one (31) states, during our test period.

If it should occur that you are at any time in the neighborhood of New Albany, Jeffersonville, or Louisville, Ky., we want you to drop in on us and make yourself known.

Again thanking you and with best wishes, we are

Very sincerely yours,
