Dear Mr. Cooper,

Thank you very much for your letter of December 28, 1947 in regard to your reception of our equipment test on the date mentioned above. This letter is to verify that you heard WJVA and that the list of selections contained in your letter is correct.

WJVA is on the air from 7:15 until 4:45 at the present time -sun-up to sunset. We had our first regular program on the afternoon of December 31, 1947. We will have a frequency test probably once a week, but the exact date has not been set as yet.

We have had many good reports from various states including Texas, New Mexico, Maryland, Nebraska, Wisconsin, Virginia, etc. and are answering them as fast as we can in the order in which they were received.

Yours very truly,

St. Joseph Valley Broadcasting Corporation
