WKQV

1550

February 22, 1967

From: Earl A. Engle

Am pleased and happy to verify your reception of WKQV on the morning of February 20, 1967. It is quite thrilling to know that a little 250 Watt station would travel so far.

No relation to KQV Pittsburg. Three call letters were submitted to the FCC , WADO... WSUL and WKQV. And we had to settle with the third choice.

The "Channel Hog" you mentioned is why we are a daytimer only.

Sincerely,

WKQV
