

Dear Ernnie,

Sincere appreciation on the station's reception April 9th on our frequency check program. We have in use a Collins Xmitter, 100 watts power, and are affiliated with NBC, Red and Blue nets,

Have heard alot about your Scott receiver and no doubt it is the best. We have in use at the station in our Mobile Unit, a National NC 100X receivers. We have received several foreign reports on this station but none to equal your report given us in your letter. We invite you to listen in next month, Sat. May 14th, 1938. Thanks alot.

Sincerely yours,  
The KANS Broadcasting Co.
