Dear Mr. Cooper:

Thank you very much for you letter concerning reception of WAIN on our equipment tests, July 18, 1951. I am very glad to verify your letter against our station log as being correct.

We have a total of five letters on reception on our tests now, Yours, one from Jamestown, New York, one from Jamestown Tennessee, just over the hill from here, about 150 miles away, one from River Forest, Illinois, and an old lady down at Salem, Kentucky, who was having trouble sleeping the other night also heard us.

Thanks again, and we are very happy to be among your many, many logged stations.

Yours very truly,
