Dear Mr. Cooper,

I am in receipt of your letter of the 21st of April, referring to reception of our station. First, I want to say thanks for taking the time to write us. It is indeed a pleasure to report that we were on the air as you stated in your letter. Our regular frequency check is the third Monday morning of each month from 2:00 till 2:10 a.m. (CST). Hope that this will give you the information that you want.

May we hear from you again, any time that you hear our station. Best of luck to you in your DX hobby.

Respectfully yours

Welby Hoover
