Dear Sir:

This will confirm your receipt of this radio station during the early morning hours of Friday, Dec. 21, 1956.

Our regrets for being so tardy in replying to your report, however we were swamped with reports from various parts of the nation and Canada and have been answering a few every now and then as time would permit.

Thanks so much for your report and we are happy to have our call letters added to your collection.

Yours very truly,

H. W. Wells, Mgr.
