

To ERNEST R. COOPER ;
5 ANTHONY ST. PROVINCE TOWN, MASS: 02657

This will confirm your reception of W I F X AM on
the 14th Day of JAN, 1986. Your reception report,
as sent to our station, matches the program as it was sent
from our transmitter/studio facilities.

Thank you for your interest in medium wave DX! AM radio
listeners are a bit harder to find these days, and it is always
a pleasure to find new listeners outside of our primary coverage
area.

Thanks again for your report, and Good DXing!
