Dear Ernest;

Sorry for such a long delay, in answering your, letter. We had a frequency check on the day you so reported, although I was not working here at the time. I don't understand, why your letter was not answered.

I am inclosing your signed card. and hope to hear from you again in the near future.

Our present frequency check, is at 4:30 A.M. EST, ON the first saturday of each month. Although this will probably be changed in the near future, because, the station will start opening for regular broadcast at that time.

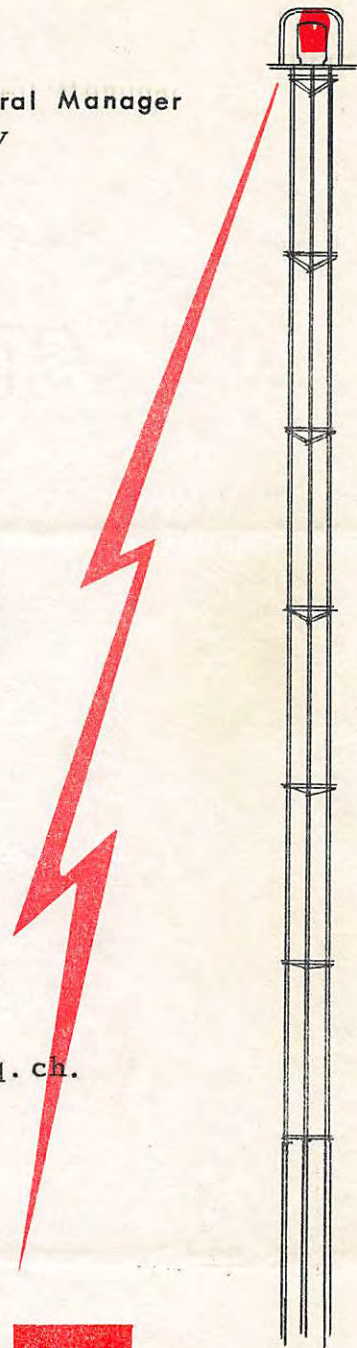

Will try to let you know of our time change, on the freq. ch.

Thanks again, for writing.

Sincerely;

Hal Whatley
