Dear Mr. Cooper:

This is to verify your report of reception of Radio Station WWKO, Ashland, Kentucky of July 28, 1954.

I'm sorry that I can't tell you when and what time our frequency checks will be as a schedule hasn't been set up yet. Our station began broadcast at noon Saturday for the first time. Our station is none directional, daytime only. I'm sorry we do not have a coverage map, however, we will keep your name on file and send you one at a latter date.

The population of Ashland is 35,000. I don't know how the city got it's name, as I'm an out-of-town guy myself.

I hope I have answered all your questions satisfactorily. Thank you for your report. You D X'ers are doing a wonderful job. Keep it up.

Sincerely,

RADIO STATION WWKO

David B. Jordan
Chief Engineer
