We operate DA at night; major lobe  $141^\circ$  + the minor lobe  $321^\circ$ . Our freq. check sched. is 10:00 P.M. to 12:15 A.M. on the 1st Fri. of each month, but is to be changed to coincide with the all-night religious program.

I am a college student, as well as one of the regular engineers here and the engineer & announcer on the all-night program.
