

WILCS

Dear Mr. Cooper,

This was a regular program you heard which is on until 2:00 AM every Sunday.

Our Xmitter is a W.E. 451A-1 using grid modulation. The frequency checks are made on the second Wednesday.

Verification of Reception

2:15 - 2:30 A.M. and are

monitored by

Claude M. Gray,

Birmingham Ala.

The present hope is that La. will not observe D.S.T. this year. Thank you for your letter and,

Best wishes,

Jim Foster (ENG.)
