Mr. Ernest R. Cooper
438 East 21st Street
Carrier Route 56
Brooklyn, N.Y. 11226

Dear Mr. Cooper:

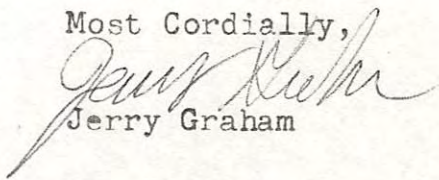

What a pleasure to hear from Brooklyn!

I read your letter with great interest, not only with respect to our station, but the general background on the National Radio Club.

Thanks also for your suggestion about an early morning test period program. We will take it under advisement.

Your monitoring information is most accurate and checks with our log for October 25th.

Most Cordially,

Jerry Graham
