Dear Mr. Cooper:

We thank you for your letter announcing the fact that you were listening to WHET on its first day of broadcasting and to confirm that the list of items that you heard were in fact broadcast on this station on Monday, September 29, 1975.

WHET simulcasts with WCRB-FM from 6-9 AM Monday through Friday. WHET operates separately from 9-4 PM, then again simulcasts from 4-6 PM. Following which it presently broadcasts separately in the evening.

On weekends, we simulcast practically all of both Saturday and Sunday, except when we have major sporting events scheduled.

Thank you for your inquiry.

Sincerely,

Kevin Mostyn  
Chief Engineer
