Dear Mr. Cooper:

This is to verify the reception of WHMP on the night of July 23, 1951 between 11:38 to 11:46:30. At that time we were on an extended regular schedule due to the ballgame~~for~~; for our regular broadcast day is from 7:00 A.M. to 11:00 P.M. We here at WHMP ~~were~~ very pleased to receive your report of our reception.

As to our frequency checks, we do not have a schedule and make them any time within the first two weeks of each month. The normal service~~x~~ area of WHMP is about twenty (20) miles radius.

Thank you very much for your report and I hope we have answered all your questions.

Yours,

*Robert H. Melcher*
