Ernest:

Thank you for your recent letter. I am familiar with the DX hobby, as my roommate in college used to correspond with various radio operations. I often scan the dial myself, while lying in bed.

To be honest with you, my regular duties are those of Sports Director. Last weekend's show was my first in quite a while. Most of the time, I am busy with a game somewhere. As a matter of fact, I'll be doing the State Division III Basketball Championship Saturday night from Worcester. The show you heard, was my first with Rock, since my school days. All those records you heard, were from my personal collection, as the station is basically MOR, with nothing heavier than Jerry Vale.

Again, I thank you for your note, and emphasize that you just happened to get lucky, hearing me do the show. I'll enclose our rate card, which illustrates our range.

Best regards,

Jerrold J. Greenberg, Sports Director

P.S. Enjoy your retirement!
