Dear Mr. Cooper:

Thank you for your letter of
June 8, 1948,

I have checked thoroughly our
file on reception reports and find that
we received no letter from you back in
October, '47. However, I have also checked
our logs for October and this letter will
serve as a verification of your correct report.

We do not have any early morning
frequency checks.

May I also thank you for your
interest shown WJDA in sending this report.
I hope that we may count you among our many
listeners in the future.

Very sincerely,

John Duffy:cb
Chief Engineer
