Mr. Ernest R. Cooper  
438 East 21st. Street.  
Brooklyn 26, N.Y.

Dear DX-er:

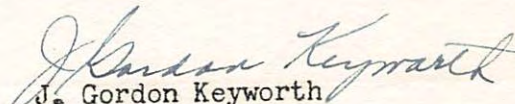

This will verify your report of reception of Radio Station WMNB, North Adams, Massachusetts. We are indeed grateful for your comments and careful analysis of our transmission.

WMNB operates with 100 watts power output on 1230 KC. We do not plan any regularly scheduled test programs.

If you are ever in the vicinity of North Adams we would welcome a visit from you.

Very truly yours,

RADIO STATION WMNB

  
J. Gordon Keyworth
