Dear Mr. Cooper:

Thank you for the letter regarding your hearing us at around 6:40 on September 21, 1971. As far as can be determined, your statement of our program was correct.

At this time we are not due for another proof of performance for several months, but when we are going to do a proof next, I will alert you in advance, and also will try to arrange it for Sunday night, at a time when WWVA is off the air.

Thank you for your interest.

Sincerely,

Howland B. Jones, Jr.
Chief Engineer
