Dear Ernie:

Thank you for sending the DX Slips...there are some already mailed out. And, also, in passing...e mention that David Deutsch (NRC) mailed me a batch of slips, too. Enclosed find the quarter for the current issue of DX News...mailing & handling...per your request.

~~Not that I have the time to devote to extensive late-at-night DXing anymore, but would you send me as much information as you have on the NRC. I've been debating joining...but haven't found the \$4.00 to spare. (That's only a part of the reason.)~~

The real purpose of my letter is to pass along some information about station CMCH I heard tonight. Loud and clear it was: "The Friendly Voice of Cuba" asking for listeners in the U.S.A. to write and mention that they had heard the program. Address all mail to

THE FRIENDLY VOICE OF CUBA
C M C H
P. O. BOX 6951
HAVANA, CUBA.

Apparantly they will be QSLing...verying. Here they were S-3-/ R-3 and clearing up to S-5/ R-5 by 8:15 pm. (Time for bed!)

On Monday Jan28 rec'd first QTH from Florida. Also got fine tape from Larry Godwin in Boulder, Colorado. As you can see from our coverage map these are prize catches for these DXers.

I thought you might like to have one of our QSL letters...so:

See you on the air some monday morning at 4:45...or March 4th at 4:30.
SPECIAL DX SHOW FOR CDXC---Canadian DX Club.
