Mr. Ernest R. Cooper
National Radio Club
5 Anthony St.
Provincetown, Mass. 02657

Dear Ernest:

Happy to receive your DX report from Provincetown. This letter serves to confirm your report.

All of your logging notes coincide with our logs and a check with our news department confirms the programming contact. You were indeed listening to Radio 15, WRXV.

To answer your questions: WRXV is on 1530 KHz with 1000 watts, nondirectional. We are planning to up our power and change our antenna system and would like to receive a report from you when that happens about a year or so from now.

Once again, thanks for the DX report.

Yours truly,

A handwritten signature in dark ink, appearing to read 'DWT', is written over the typed name.
