Dear Mr. Cooper,

Thank you for your letter of reception of our Lewiston-Auburn station, WTME. Indeed, on January 16, 1987, from 3:23 until 4:01pm, you heard 1530 WTME-AM, Auburn/Lewiston.

For the record, we are at the same power as the old WPNO and WRXV were, but we have new equipment (a Harris transmitter) which is state of the art, by today's standards. Also, in the times of WPNO (and perhaps WRXV) there weren't as many radio stations to interfere with your reception, I'm sure.

Again, we thank you for your letter and encourage you to keep up the good work in radio broadcasting.

Sincerely,

John Yates  
Station Manager
