RADIO STATION WTVL  
WATERVILLE, MAINE

July 2, 1952

Dear Sir:

Thank you very much for the report on reception of WTVL on June 17. This is to verify the same.

WTVL transmitter is located on the east side of the Kennebec river in the town of Winslow Maine. We have a RCA BTA 250 L transmitter with a 230' vertical antenna with about 35,000' of ground wire.

The studios are located in a converted house at 36 Silver St. Waterville. Studio equipment is also RCA.

This is the sixth year of broadcasting for WTVL.

Wishing you the best of DX.
