NK BROADCASTING STATION

1600 KC 1000 Watts

Summit and Getty Muskegon, Michigan

December 27, 1949

Mr. Ernest R. Cooper
National Radio Club
438 East 21st. Street
Brooklyn 26, New York

Dear Mr. Cooper:

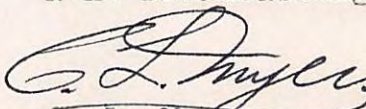

We were very glad to receive your report of reception of our station on December 5th. At present time, we have 5 DX's reports for the same morning and approximately the same time. We were phasing antennas with reduced power (about 300 W).

I am sorry to delay answering your report for so long, but I can now answer your questions as to our sign-on time with our full-time schedule. Since last Saturday, December 24th, we are on twenty-four hours per day except Monday morning from mid-night to 6:00 A.M. E.S.T.

Thank you again for your very cordial letter. Hoping to hear from you again, I remain

Sincerely yours,

N.K. Broadcasting Co.

C. L. Myers
Chief Engineer
