Dear Ernest,

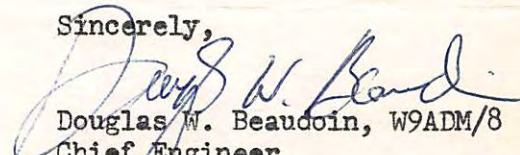

Thank you for your report of May 4, 1964. This letter is confirmation of your reception of our frequency measurement run the same date.

The target date for WERX is June 6, 1964. We have 500 Watts, two tower directional, and daytimer.

I'm sorry that I am not able to supply you with our coverage map at this time but, they still are at the printers.

Thanks again and hope to hear from you in the future.

Sincerely,

Douglas W. Beaudoin, W9ADM/8
Chief Engineer
Radio Station WERX
Wyoming, Michigan
