

9/17/35

Dear Mr. Cooper:

We are pleased to verify your reception of a group of recordings heard over this station on the morning of August 24, at approximately 2:45 A.M. We are a station located in the Curtis Bldg. Detroit, and operating on 1500 kilocycles, with 250 watts daytime power, and 100 watts nighttime.

Yours very truly,  
JAMES F. HOPKINS INC.

Gladys Rowland  
PROGRAM DEPT.
