Ernest R. Cooper
National Radio Club
438 East 21st Street
Brooklyn, New York

Dear Sir:

We are following the letter we sent you on the
15th of this month with this.

There was an error made in the varification.
Instead of WJLB, we varified the reception of W49D,
which was of course a mistake.

Very truly yours,

JOHN L. BOOTH BROADCASTING, INC.

E. H. Clark
Chief Engineer WJLB - W49D
