This letter confirms your reception of WKJR at 12:23AM on  
September 21, 1963.

WKJR began broadcasting on Wednesday, January 3, 1963, with  
an avowed purpose of airing only top-quality religious and  
secular programs.

Our maximum power--1000 watts--is reduced to 250 watts during  
the two critical hours immediately after sunrise and immediately  
before sunset.

Thank you for your interest!

Sincerely yours,  
The MUSKEGON HEIGHTS BROADCASTING COMPANY
