Dear Mr. Cooper:

Your reception of WKMF and the format which you listed in your letter of April 15th is herein verified by this communication.

You are correct that WKMF operates on the frequency of 1470 kcs 24 hours day and night around the clock.

Unfortunately, I cannot share your hope that we will not be operating all night every night, for it is with some promise of commercial relating to our parent station WKMH that this schedule has been initiated.

Cordially yours,

W. Eldon Garner
Managing Director
