Dear Mr. Cooper:

We were pleased to receive your fine report of our DX program of November 3rd from 3:00 to 4:00 A.M., E.S.T..

We were pleased to receive so many reports in view of the fact that at least a half dozen stations were operating on 1230 kc at that time including one station conducting a tone test.

In December of 1951 the church prepared a booklet commemorating the 25th Anniversary of our Gospel Radio Station WMPC, a copy of which we are sending by separate mail as a souvenir of our work. This copy was prepared by the church without my knowledge so that I had no chance to tone down the personal references.

We have received some questions from old DX friends concerning the name of our church. In 1940 the title of the church was changed from the First Methodist Protestant to The Liberty Street Gospel Church of Lapeer. It is the same church group.

Sincerely yours,
Frank S. Hemingway

P.S. Yes we had some of our station employees singing in person. So glad to hear from you again.
