Dear Mr. Cooper:

This is to confirm that we were on the air with a frequency check on the morning of February 1st, 1950, from 3:00 to 3:30 AM CST. We are glad to know that you heard us at that time.

Grand Rapids' population is somewhere between 6,000 and 7,000 people. A small percentage of our mail goes to Grand Rapids, Michigan, but not to the extent where it presents a problem.

Thank you for your letter and your good wishes to the folks at KBZY.

Yours very truly,

RADIO STATION KBZY
