Mr. Ernest R. Cooper
438 East 21st Street
Brooklyn 26, N. Y.

Dear Sir:

We are glad to confirm your reception of KSUM during our special broadcast of February 13, 1949.

KSUM is one of the newer radio stations, as we just began regular operations last month. We operate with a full-time power of 1000 watts into a three-tower, two-pattern directional array.

Thank you for your report. We are always happy to hear from you fellows, and to co-operate with you at any time.

Very truly yours,
RADIO STATION KSUM

Walt Wilson
Chief Engineer
