Dear Mr. Cooper:

This will verify your reception of KDEX Radio, 1590 KHZ Dexter, MO on September 17, 1979 at 12:35 a.m. c.d.t.

Joe Bellis, our chief engineer asked me to send this verification to you. You will find a coverage map for KDEX enclosed.

Joe was conducting our annual proof of performance on control room consoles and transmitters, when you heard the call test.

KDEX does not conduct frequency checks on any regular basis, so I can not give you a specific date or time of the next one.

Thank you for your kind comments regarding your visit to Missouri. It was interesting to read of your visit to KFUD and KIRL. I started my radio career full time as an announcer at KFUD 1957-59. Also Mike Rice, owner of KIRL is a good friend and fellow member of Missouri Broadcasters Association.

Thank you for your letter, and best wishes to you and the members of N.R.C.

Sincerely,

Leon Steinbrueck
Owner-General Manager
