Assistant to
Managing Director

Mr. Ernest R. Cooper
438 E. 21st Street
Brooklyn 26, New York

Dear Mr. Cooper:

Jack Rhea of Radio Station K I C K tells us that you were one of the many who received their D X test. On the theory that some day you might want to try a vacation trip to the Ozarks, we are sending you descriptive literature of what we have to offer.

We have much to show in South Missouri and we hope some day you will come and see for yourself.

Sincerely,

Louis W. Reps
