Mr. Ernest R. Cooper,
312 East Fifth Street,
Brooklyn, New York.

Dear Radio Friend:

This acknowledges with thanks your reception report. We have checked the report with our broadcasting log and are glad to verify your reception.

KMBC broadcasts continuously from seven A. M. until twelve thirty A. M. We hope that you will tune in our programs frequently and that they will please you.

Should you be an Ekko stamp fan, you will be interested to learn that you may obtain a KMBC stamp simply by writing your request on this letter and sending a dime to cover cost of stamp, mailing, etc. It is not necessary for you to send proof of reception card, if you use this letter.

Remember our frequency - 950 kilocycles - and let us hear from you again.

Yours very truly,
