Dear Sir:

This is in reply to your recent request for varification of our transmitter equipment test.

We were very glad to receive your repot, and want to thank you for your interest in sending it to.

The equipment we are using at KWRE, Warrenton, <sup>M</sup>issouri, is of Gates make, using a single 250TH in the final, shunt fed to a 280 foot guyed tower.

Thanking you again, I am,

Very truly yours,

CALVIN MORRIS  
Chief Engineer
