Dear Sir:

This is to acknowledge your report of October 11.

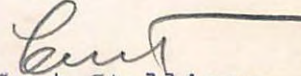

Your report is complete in every detail.

I'm sorry we have neglected in answering your report sooner, but I'm sure you understand how things are with a new station --time just won't stand still! We're operating on schedule now and things seem to be running pretty smoothly.

I personally have answered all the reports which have come in, and it seem I remember writing you a letter along with the others, however, there have been so many of them that possibly I am mistaken. I'm sorry the report hasn't been confirmed sonner.

Thanks for all the good wishes you extended to the station's staff.

Sincerely,

  
Curt Stallings  
Program Director
