Dear Mr. Cooper:

We are very glad to verify your report of reception of WOQ, broadcasting a special DX program, Friday night, or rather Saturday morning, February 17, from 12:00 o'clock until 2:00 a.m., Central standard time.

We hope that you enjoyed our program. Although you did not express any interest in the literature mentioned on our DX broadcast, we are taking the liberty of sending you a free copy of the February issue of Progress. This magazine is the newest publication of Unity School of Christianity, the owner and operator of WOQ. We hope that you will find Progress interesting. Should you wish to receive it regularly, we shall be very glad to receive your order for a subscription. An order form is inclosed for your convenience.

Cordially and sincerely yours,
