Dear Ernest,

Awfully sorry to hear that you failed to receive the verification you sought so long ago. Upon checking our logs I find that your report was correct and that our check was run by operator, Robert H. Bynum, from 1:00 to 1:30 Am C.S.T. on September 22, 1947.

Our frequency checks at the present time are run each Monday at 5:00 - 5:15 Am CST and for this reason I expect you will have difficulty picking us up. However, if you do I will be glad to receive and verify your report.

yours truly,
Ray Tolar
Chief Engineer, WCJU
