Dear Mr. Cooper:

Regarding your letter of June 26, 1958, reporting reception of our signal during a frequency check, I acknowledge the receipt of our signal between 1:45 and 1:59 A.M.-C.S.T. of that date.

No, we have not heard of the WKBX Station in Maine. The letters of our Station were changed because the Station changed management effective June 1 and we wanted to start with a clean slate with new programming and everything. We appreciate the interest in our Station.
