Dear Mr. Cooper:

Thank you for your very nice letter concerning our equipment test of May 25th.

This letter verifies your reception, and your report was found correct.

Belzoni derived its name from an Italian explorer, Count Giovanni Batista Belzoni, who was in this area during the years 1778-1823. The population of Belzoni is approximately 5,000.

W E L Z will begin operation during the week of June 1st. We will sign on at 5:00 am and operate until sunset, every day of the week...Monday through Sunday. Our frequency checks will be made from 1:00 am to 5:00 am. We are not affiliated with any other stations or networks.

We do not have an extra coverage map--we would be glad to send you one if it were possible.

Please let us hear from you again.

Sincerely,

Howard L. Brooks
