Dear Ernest:

I am very sorry that I didn't answer your letter, but since I try to manage, engineer and W.I. here you can understand what a job I have. Before I say anymore I want to let you know we increased our power to 5KW the 1st of Oct. with a Collins 2 1/2 and new console also. We sure are happy about this. Your reception of this station on 2/15/62 was correct and I do appreciate you guys taking your time out to make these reception reports.

Yours in Radio

P.S. once again I say I'm sorry for the delay -
